Executive Board Reports

President – Eveleen Harrison

- o First, let me thank you for the thoughtful wishes during my rough times the past couple of months. I was almost healed from the unexpected surgery and then experienced a grade two calf muscle strain. All of this has certainly interrupted my ESA plans to visit with each chapter. During this time, I have enjoyed reading the Lamplighter and all the activities. Andrea has done a GREAT job!
- o The Executive Board and the Appointed Board, along with the Convention Committee are working hard to make your 2017-18 VSC Convention enjoyable. I hope you are planning to attend.
- o According to our bylaws, each officer and appointed board member shall summarize their year in a report to be published in the convention brochure. Please provide that report to Brenda Bowersox no later than April 15 so that the brochure can be printed and assembled.

Trivia: Which state is the closest to Africa?
Ans: Maine!

1st Vice President – Debbie Langfitt (e-mail report, given by Eveleen Harrison)

- o First, I need to thank everyone for giving me the opportunity to attend Leadership. It was jam packed with classes and meetings the entire time. The biggest take away was how to recruit all ages. All states are having trouble finding younger people to join ESA. I will share more throughout the next year. The experience did calm my nerves somewhat because there were many other individuals that felt they were in over their heads too. IT GAVE ME THE DRIVE I HAD HOPED FOR!!!!
- o I have been busy filling the positions with help from everyone. I still have some openings but know they will be filled.

The Executive Board Proposal is as follows:

President	Debbie Langfitt
1st Vice President	Lou Ann Wyer
2nd Vice President	Brenda Bowersox
Recording Secretary	Marie La Duke
Corresponding Secretary	Jenny Brunelle
Treasurer	Diane McLane
Parliamentarian	Sheen Childress
Jr. Past President	Eveleen Harrison

VSC Convention 2017-18 Update

- Convention Registration forms are due postmarked by April 15th. The form has been published in both of the Lamplighters and can also be found on the website.
- Hotel room registrations must also be completed by April 15th. All of the info to contact the hotel is on the convention registration form. Note that this is the hotel's deadline so if you miss the date there is nothing we can do to get you the convention room rate.
- The form to purchase ads for the convention brochure has been placed in the chapter folders. Please try to have them to Jamie Hafer, who is compiling the ads, no later than April 15th. You may send them to her either electronically or through the mail. Her mailing and email addresses are on the form.

- Adjacent to the hotel property is a Country Club. As a guest of the hotel you will receive a reduced rate for a round of golf. A sheet with contact information and normal rates has been placed in the chapter folders. You are on your own to make any arrangements for golf, just remember to mention that you are a guest at the hotel to receive a discount.
- Alpha and the “Chi-hive” are so looking forward to sharing our beautiful country side with you in May. There is a reason that we have adopted the bee as the convention mascot. This area is predominantly agricultural, and our farmers are reliant on the bee population to pollinate the crops and fruit trees.
- If you registered by March 1, you were entered into a drawing for free registration ... the winner drawn was Susan Caldwell.

Trivia: How long would humans last on earth if the bee becomes extinct?
 Ans: The prediction is 4 to 5 years!

 Ans: Noah! He was floating his stock while everyone else was in liquidation!

Trivia: In what year did Easter Seals begin? (There could be two different answers.)

Ans 1: **1919** - Ohio-businessman Edgar Allen lost his son in a streetcar accident in 1907. The lack of adequate medical services available to save his son prompted Mr. Allen to sell his business and begin a fund-raising campaign to build a hospital in his hometown of Elyria, Ohio. Through this new hospital, Allen was surprised to learn that children with disabilities were often hidden from public view. Inspired by this discovery, in 1919 Mr. Allen founded what became known as the National Society for Crippled Children, the first organization of its kind.

Ans 2: **1934** - In the spring of 1934, the organization launched its first Easter "seals" campaign to raise money for its services. To show their support, donors placed the seals on envelopes and letters. Cleveland Plain Dealer cartoonist J.H. Donahey designed the first seal. Donahey based the design on a concept of simplicity because those served by the charity ask, "simply for the right to live a normal life."

The lily... a symbol of spring... was officially incorporated as the Easter Seals' logo in 1952 for its association with resurrection and new life and has appeared on each seal since.

 - By the same token, if you host a St. Jude event, you need to be sure to submit the *Booked and Completed Event* form.
 - When you volunteer at a St. Jude Event, keep track of your hours and the number of members helping; report that to the St. Jude/ALSAC representative in charge so they can properly account the totals reported on behalf of the VSC.
 - If ESA HQ doesn't know, it is as if it didn't happen and neither your chapter, or the state, will receive credit.
 - Please keep me in the loop if you are involved in anything for St. Jude so I can confirm it was recorded correctly.
 - If you are a Partner in Hope, let me know. I am working with Headquarters to find out if our monthly Partner in Hope donations can be included with our Virginia St. Jude donation totals.
- The St. Jude report that I pulled yesterday, May 22, directly from the ESA website, states that we have nine chapters that have donated to St. Jude so far this chapter year (since May 1, 2017). I truly hope that in this last month and a half, before the end of the reporting year, we can count on all of our 17 chapters to participate in a St. Jude event or help to support them in some way. I would love to have 100% chapter participation!! Our St. Jude year runs from May 1, 2017 - April 30, 2018.

- Thank you once again for your generous donations and turn around fund submissions to the Foundation.
- To date, we have 34 paid members and 4 non-members who have paid their dues before March 1st and can cast their vote at IC. We also can boast that Virginia has 15 Lifetime Active members, including one non-member. Sandy Reed is the most current Lifetime Active Member.
- Virginia has nine Virginia sponsored scholarships in the system. Seven scholarship winners were chosen this year.
- Flora and I represented ESA Foundation of Virginia at the Tidewater Scholarship Fair at Norfolk State University in October. There were approximately 1200 in attendance the day we were there, getting our brochures and asking questions. Students and families from all over Virginia, every area college and many organizations were represented. Short time workshops were held during the day to give students, parents and other adults, information on getting scholarships.

- I was able to visit as many of the participating colleges and organizations tables to tell them about the ESA Foundation and give them brochures. As soon as the 2018 information was posted on the ESA Foundation scholarship and grants website, I sent out 50 or more information letters to all the high school guidance counselors and college financial aid personnel in Tidewater, up to Williamsburg.
- Next October when the posting for the 2019 year is available, I hope that more of you will be willing to send out information to guidance departments and financial aid personnel in your area. If you want to know more about what I wrote in my letters and how I found the names and addresses, just ask me.
- Please consider becoming a member of the Foundation so that we can give more scholarships. Start your own endowment. Give a gift of membership to a family member or recognize one of your hardworking members with a membership. You won't be sorry, and it is a gift that truly does "keep on giving."

State Project – Theresa Morris

- As many of you know, traditionally the VSC State Project Chairman is a two-year appointment. Last year the appointed chairman went MAL, and as PPA sponsor of the VSC State Project I was happy to step in.
- Also, traditionally the funds collected are to be sent each year to our designated charities. That was not done, so we will be donating a collection of two years in May.
- The VSC State Project balance reflecting what was collected last year's donations were \$8,141.71
 - Beta Kappa wrote a \$5000 check last year that is still outstanding. Flora Burns will void that check and rewrite it.
 - Donations received from Alpha Nu and Alpha Delta were received so far this year. In addition, two chapters made donations today.
- This brings me to a project approved by the Executive Board to benefit the State Project.
 - Two Quilts are being raffled - \$5 per chance or \$20 for 6 chances. Tickets have been put in your chapter folders. You do not have to be present to win nor do you have to be an ESA member; however, you must put your name, chapter and contact information on the back of each ticket.
 - The drawing will be at this year's convention.
 - Remember – these quilts are not perfect, but definitely made with love.

So, I am providing you with handouts on new food labeling and the food pyramid, as well as, general guidelines on how and what we should be eating.
