Presidents Message

Greetings:

WOW what a fabulous Leadership and Fall Council Meeting. Carol Campbell and Bev Scott claps for you all around!!!! The D-day Memorial was so moving, I actually get goose pumps all over when visiting specific areas of the memorial. The military is still very special to me as that was my childhood and even-though my father retired when I was 10 y.o. my parents still celebrated every military event(i.e. the Marine Corp birthday, my brothers graduation from the Naval academy,etc.) Even prior to my mothers death she would say the Marine Corp band was playing out on the street, What visions she must have been experiencing!

Everyone was so motivated at our fall council meeting and I hope all of you will continue that feeling as we move through the year!

Happy Halloween to you all and don't scary the children!

FYI: For those who don't know I'm a direct descendant of Rebecca Nourse, who was jailed for witchcraft in the 1600's.(John says sometimes I ack like a witch! Ha!)
